Board on Geographic Names Recommends Name for Unnamed Creek in Campbell County

PIERRE, S.D. – The South Dakota Board on Geographic Names (SDBGN) has unanimously recommended the name of Searl Creek for an unnamed creek in Campbell County from two proposed names submitted to the board. The creek is located north of Pollock and drains into Lake Pocasse.

The board held a public meeting in Pollock on Wednesday, Nov. 19, and based on public comments, voted to recommend Searl Creek to the U.S. Board on Geographic Names for their consideration.

SDBGN is providing the public with an opportunity to express any concerns or opposition to the recommended name. Written comments should be submitted no later than Dec. 20, 2014.

The board will take final action on the recommended name at the board's Dec. 22, 2014 meeting to be held in the commission room of the Becker-Hansen Building, 700 E. Broadway Ave., in Pierre at 3 p.m. CST.
